

OTHER QUALITY PRODUCTS FROM CHFS

With the introduction of new insurance and annuity products, CHFS continues to experience significant growth in premium as well as new members.

Pre Need Insurance

Pre-planning your funeral not only gives you a choice and peace of mind, but also secures your funeral costs today.

CHFS offers a variety of Pre Need insurance products, in partnership with reputable funeral homes, to facilitate the funding of pre-arranged funerals for you and your loved ones.

Annuities

Today, security is more important than ever. With a CHFS tax-deferred annuity, you don't have to sacrifice competitive returns for peace of mind.

With highly competitive rates and no sales or administrative charges, CHFS annuities continue to be attractive alternatives to certificates of deposit (CD's) and money market or savings accounts.

And, unlike these other investments, annuity interest earnings grow on a tax-deferred basis, and do not contribute to income for purposes of taxing your Social Security benefits.

FRATERNAL BENEFITS & PROGRAMS

When a product is purchased from Catholic Holy Family Society, the insured becomes a CHFS member. CHFS offers a very unique opportunity for families. Not only do we provide safe, secure and affordable life and annuity products, we also offer opportunities for involvement in programs and projects which have a positive influence on the family and community.

Members are welcome to join local councils in their communities. These individual councils, with financial and administrative assistance from the home office, volunteer their time and talents, and organize activities that will make a difference!

The following benefits are available to all members at no cost:

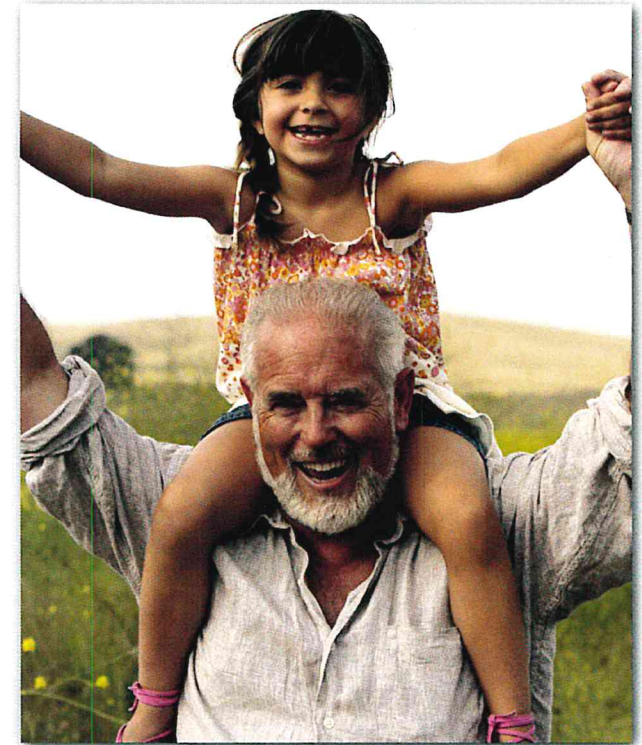

- ◆ *Catholic High School Scholarships*
- ◆ *Catholic Church Grants*
- ◆ *Emergency Medical Alert Bracelet*
- ◆ *Prescription Drug Benefit*

In addition, CHFS participates in a Habitat for Humanity Blitz Build each year.

At CHFS, we continually strive to offer our members quality benefits, programs, and activities that meet their changing needs.
